Refreshments
For guests - inside the K Building

Dale Musikkorps

God tur vidare!

*'As you loosen the embrace of the dark interior
of the Norwegian winter*

*May you take with you the warm senses
of the pinewood, the fjord, the river, the light
and most of all the people.*

*May you allow your gift to this place
to settle and rest freely.*

*May you shelter under the providence that
brought you here for a time*

And anchors you as you cross the ocean.'
