

Directions from Bergen Airport, Flesland

By Car

- Exit the airport taking signs for Bergen E39.
- The signs will change to Sentrum – follow these until you see the option for Ålesund E39, then follow this lane. This will take you on the motorway out of Bergen.
- Continue over two big bridges and through tunnel after tunnel on E39.
- From the airport it is about 1 hour 45 mins to the ferry at Oppedal.
- Come down the hill into Oppedal where you will catch the ferry to Lavik.
- Ferries leave every 20 minutes – a ticket person will come to your car window as you queue and you can pay in cash or by card.
- Coming off the ferry at Lavik, please follow these special directions as the ferry terminal has recently been rebuilt. Please head off the ferry and follow the other cars for approx. 300 metres. Turn left keep the petrol station on your left hand side. You then drive straight along a road keeping the fjord (and ferry terminal) on your left hand side. After 300 metres, turn right following directions to Lavikdal.
- **Be warned: once you come off the ferry at Lavik, Nav sometimes takes you onwards on the E39 via Sande and then Dale (a major 'long cut' to be avoided). We advise that you go the much shorter route via Lavikdal.**
- Beautiful winding road over the mountain.
- Wind your way down until the next crossroads – turn right on Rv57 to Dale. It is about 20 minutes from Lavik to this T-junction
- Continue on this winding road for another 30 mins until you come into Flekke. Turn left at the Joker Shop / petrol station and follow signs to the United World College. 5 mins down road you will see a 'classical monument with wooden pillars' on your left. At the bottom of the hill, you will see three tall flagpoles. The reception for the College is immediately next to the flags.

Detailed directions can be found and printed using google maps.
